# CANALICCHIO DI SOPRA

Brunello is often compared with the Pinot Noir wines of Burgundy with its smooth tannins and ripe, fruit driven character. The wines are available to be consumed soon after release but generally hit their prime six to eight years after harvest. The wines have good aging ability with some producers regularly making wines that still improve within the bottle for more than 20 years. The high acidity of the wine allows it to pair well with food, especially grilled meat and Game.

Champagne Perrier Jouët, known for its signature Fleur de Champagne, celebrates 100 years of the creation of the beloved “Flower Bottle.” Master glassmaker Emile Gallé designed the original flower bottle in 1902 when he was commissioned to create a special magnum to honor of the Belle Époque, or the “beautiful era” of art, literature and music. A legendary figure of the Art Nouveau movement, Gallé decorated the celebrated bottle with an ar-

besque of white anemones – a foreshadowing to the light, floral Cramant Chardonnay it would contain - which are now the signature motif of all Fleur de Champagnes: Fleur de Champagne, Fleur de Champagne Rosé and Fleur de Champagne Blanc de Blancs. As a top selling *prestige cuvée*, Fleur de Champagne is equally known for its artistic, flower ensconced bottle as the elegant Champagne it holds. This marriage of high art and exceptional winemaking is the ideal embodiment of *art de vivre*.
